

NOTICE OF BIDDING  
2017-2018 Conversion Project  
Meter Conversion Contract

Sealed proposals will be received by the Board of Trustees of Harlan Municipal Utilities (Owner) until 2:00 P.M. local time on July 19, 2018 for the Meter Conversion Contract, which is a portion of a project identified as 2017-2018 Conversion Project, and as described in detail in the specifications now on file in the Owner's office. Proposals must be delivered to the following address prior to that time.

Harlan Municipal Utilities  
Attn: Mr. Kenneth Weber  
2412 Southwest Avenue  
Harlan, IA 51537  
Phone 712-755-5182

Proposals will be opened in public session at that time. Proposals will be acted upon by the Board of Trustees at a meeting to be held in the board room of the Harlan Municipal Utilities Office at 4:00 P.M. local time on July 26, 2018 or at such later time and place as may then be fixed.

The bidding documents can be obtained by contacting AI Powers at P&E Engineering Co. by email at [arpower@peengr.com](mailto:arpower@peengr.com).

Extent of Improvements

Furnish and install meter sockets, conduit, and wiring as required to convert existing overhead electric building services to underground supply.

Schedule of Proposed Work

Work under the Contract is to commence on or about Aug. 1, 2018. Work must be substantially complete by Oct. 1, 2018 with all work completed by Nov. 1, 2018.

Each bid must be accompanied in a separate envelope by a bid bond, certified check or cashier's check in an amount of five per cent (5%) of the total value of the Proposal, and made payable to the Owner as a security that the bidder will enter into a contract for the Work within ten (10) days after the award of the contract to such bidder.
